

Mathematics: It's Knot What You Think!

A Virtual Math Meet-Up for Undergraduates

Join two inspiring mathematicians—**Dr. Mariel Vazquez**, 2016 Blackwell-Tapia Award Winning Mathematician from the University of California-Davis, and **Dr. Jose Perea** of Michigan State University, to learn about the fascinating field of topology, the mathematical study of properties preserved through deformations, twistings, and stretchings of objects. Experts in their field, Vazquez and Perea will discuss their career paths and the exciting applications of their work in pure mathematics, medicine, computers, engineering and more!

Dr. Mariel Vazquez

Dr. Jose Perea
