

NIMBioS

National Institute for Mathematical
and Biological Synthesis

A Research Collaboration Workshop for Women in Mathematical Biology

June 22-25, 2015 at The University of Tennessee, Knoxville

This collaborative workshop aims to help build a strong collaboration network of women working on problems in mathematical biology, by facilitating the formation of new collaborative research groups and encouraging them to continue to work together after the workshop.

Junior women (tenure track faculty, post-docs and advanced graduate students) in biology, mathematics and related fields are encouraged to apply.

Travel support available

For more information and to apply, visit:

http://www.nimbios.org/education/WS_wmb.html

Application deadline March 1, 2015

The National Institute for Mathematical and Biological Synthesis (NIMBioS) brings together researchers from around the world to collaborate across disciplinary boundaries to investigate solutions to basic and applied problems in the life sciences. NIMBioS is sponsored by the National Science Foundation, with additional support from The University of Tennessee, Knoxville.
