

# NIMBioS

National Institute for Mathematical  
and Biological Synthesis

## 10<sup>th</sup> Annual Undergraduate Research Conference at the Interface of Biology and Mathematics

**October 27-28, 2018**

**University of Tennessee Conference Center, Knoxville, TN**

Undergraduates are invited\* to present their research at the interface of biology and mathematics and network with students and mentors from across the country.

- Keynote Talks by Mathematicians and Biologists
- Career Panel Discussion
- Graduate School Opportunities Showcase
- Faculty, Students and Local Teachers Invited

*\*Funding for lodging, registration and travel available for a limited number of participants*

*For more information, visit:*

**[http://www.nimbios.org/education/undergrad\\_conf2018](http://www.nimbios.org/education/undergrad_conf2018)**

**Apply for Funding by Sept 10 ♦ Register by Oct 5**

*The National Institute for Mathematical and Biological Synthesis (NIMBioS) brings together researchers from around the world to collaborate across disciplinary boundaries to investigate solutions to basic and applied problems in the life sciences. NIMBioS is supported by the National Science Foundation with additional support from The University of Tennessee, Knoxville*
