

NIMBioS Working Group – Biotic Interactions September 23-26
Meeting Agenda

September 23

- 8:00 Shuttle
8:15 Breakfast provided by NIMBioS
9:00 Introductions
9:15 Presentations:
 Fred: Simulations for Bakeoff
 Michael: Temperature dependent simulations
 Janet: Analyze data from simple simulations

10:30 Coffee Break (and photo op)
10:45 Presentations:
 Chris: contrasting interaction types
 Will: Potential synthesis paper using regional coexistence to explain the importance of biotic interactions for SDMs

11:45 Plan work for rest of the meeting

12:00 Lunch at NIMBioS
1:15-2:00 First window for skype conversations
2:00-3:00 Breakout groups
3:00 Coffee Break
3:15 Breakout groups
5:00 Sum up first day
5:30 Reception at NIMBioS
6:30 Shuttle back to hotel

September 24

- 8:00 Shuttle
8:15 Breakfast at NIMBioS
9:00 Field trip, all day.

September 25

- 8:00 Shuttle
8:15 Breakfast at NIMBioS
9:00 Subgroup work
10:30 Coffee break
10:45 Subgroup work
12:00 Lunch at NIMBioS
1:30 Subgroup work
3:30 Coffee break
3:45 Reconvene full group, presentations
5:30 Shuttle back to

September 26

8:00	Shuttle
8:15	Breakfast at NIMBioS
9:00	Full group meets to discuss proposed directions of subgroups
10:30	Coffee break
10:45	Full group discussion, continued
12:00	Lunch at NIMBioS
1:30	Subgroups meet to plan specific objectives, division of labor, and
3:30	Coffee break
3:45	Timeline for achieving the objectives
3:45	Group discuss scheduling and goals for remaining working groups
4:30	End meeting
