

## **Agenda: NIMBioS Working Group Meeting 4 (13-15 February 2019)**

*Attending in person: Marcus de Aguiar, Mathilde Besson, Laura Burkle, Cecilia Díaz Castelazo, David Hembry, Ulrich Mueller, Erica Newman, Jimmy O'Donnell, Mathias Pires, Justin Yeakel*

### **Tuesday, 12 February**

Participants arrive in Knoxville

Marcus, Mathilde, Mathias: 09:58

Jimmy: 17:32

Laura, David, Ulrich, Erica: 19:23

Cecilia: 20:06

Justin: 22:05

Dinner plans not set, but: David will certainly want to go eat something after getting in. Chaiyo Thai closes at 21:00.

### **Wednesday, 13 February**

0800-0900 Breakfast at NIMBioS

0900-0930 Welcome back (Jimmy and David): overview of meeting 4's priorities

Goal is to work on #legoproject and #leafcutters projects

Both projects will have concurrent work time for most of meeting

Small amount of time available for other projects, depending on how work goes

Likely to be last meeting for us as a group

0930-1000 #leafcutters update, by Ulrich Mueller and David Hembry

1000-1030 #legoproject update, by Justin Yeakel

### **1030-1045 Coffee break**

1045-1115 General discussion/questions about #legoproject and #leafcutters (as needed)

Anyone is welcome to join either or both projects (which will have concurrent work times)

1115-1200 Very brief updates about #extinctions, #scaling (EcoNetGen), and #abundance\_and\_degree projects (and others if need be)

### **1200 Group photo**

### **1200-1300 Lunch (on site)**

*[Parallel scheduled events occur this afternoon]*

1300-1645 [**All afternoon**]

Group work time for focus projects in parallel:

- #legoproject manuscript version 1: more in-depth discussion/work on the first version of the project (JY and others)
- #leafcutters (UM, DH, and others)

### **1500-1515 Coffee break**

1645-1700 #legoproject and #leafcutters updates: what was achieved during the afternoon

### **1700-1730 NIMBioS reception**

#### **Thursday, 14 February**

0800-0900 Breakfast at NIMBioS

*[Parallel scheduled events occur on this day]*

0900-1630 [**All day**] Group/individual work time for:

- #legoproject, spatial extension (aka manuscript 2) (This is flexible.)
- #leafcutters (flexible)

### **1030-1045 Coffee break**

**1200-1330 Lunch (on site, Darwin Day Phylum lunch with Brian O'Meara's lab)**

### **1500-1515 Coffee break**

1630-1700 Brief reports on progress made (#leafcutters, #legoproject spatial extension)

#### **Friday, 15 February**

*[Schedule below is subject to change; coffee break will remain the same]*

0800-0900 Breakfast at NIMBioS
