

NIMBioS Investigative Workshop: Transients in Biological Systems Schedule

Wednesday

Breakfast at NIMBioS 8-9

9-9:30 Introduction Alan Hastings

9:30-10:10 Karen Abbott – Overview of Transients in Ecology

10:10-10:50 Jonathan Rubin – Transients in Neuroscience and Mathematical Issues

10:50-11:10 Coffee Break

11:10-12:20 Carl Boettiger and Chris Wickle – Statistical Considerations and Prediction

Lunch 12:30-1:30

1:30-2:00 Discussion of workshop goals and first breakout groups

2:00-3:00 First breakout groups (approximately 4)

3:-3:20 Coffee Break

3:20-3:45 Reports from first breakout groups

3:45-4:45 Second breakout groups

4:45-5 Wrapup of day 1

Reception

Dinner on your own

Thursday

Breakfast at NIMBioS 8-9

9-9:30 Discussion of goals for the rest of the meeting

9:30-10:50 Breakout groups

10:50-11:10 Coffee Break

11:10-12:30 Breakout groups

Lunch 12:30-1:30 and Group Photo

1:30-2:50 Reports from Breakout groups and plenary discussion

2:50-3:10 Break

3:10-5:00 Breakout groups

Dinner on your own

Friday

Breakfast at NIMBioS 8-9

9-9:30 Plenary discussion

9:30-10:50 Writing in breakouts

10:50-11:10

11:10-12:30 Wrapup and future plans

Lunch 12:30

Departure
